

Technology Around Us

Year 1 - Computing - Autumn 1

	Key Objectives:	Start of unit	End of unit
	Can I locate examples of technology in the classroom, beyond school at home and in the wider community?		
	Can I explain how these technology examples help us?		
	Can I name the main parts of a computer?		
	Can I switch on and log into a computer?		
	Can I type my name on a computer?		
	Can I identify rules to keep us safe and healthy when we are using technology in and beyond the home?
