

Moving a robot

Year 1 - Computing - Spring 1

	Key Objectives:	Start of unit	End of unit
	Can I explain what an algorithm is?		
	Can I give an example of at least one everyday algorithm?		
	Can I create a simple algorithm?		
	Can I follow an algorithm?		
	Can I run a command on a device?		
	Can I describe what information I should not put online without asking a trusted adult first?
