

How did the lives of Britons change during the Stone Age?

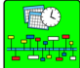

Year 3 - History - Autumn 1

	Key Objective:	Start of unit	End of unit
	Can I explain why the Stone Age is part of 'prehistory' rather than 'history'?		
	Can I identify and describe, in chronological order, the three periods (Palaeolithic, Mesolithic and Neolithic) and dates of the Stone Age in Britain?		
	Can I use a timeline to explain where the Stone Age fits in chronologically alongside other periods I have studied?		
	Can I describe and explain how archaeologists use artefacts to understand life in Stone Age Britain?		
	Can I compare and contrast the difference between Stone Age winter and summer camps?		
	Can I explain how and why life for Ancient Britons changed from the Old to New Stone Age?		
	Can I explain why most Ancient Britons in the Stone Age were hunter gatherers?		

What is the secret of the standing stones?

Year 3 - History - Spring 1

	Key Objective:	Start of unit	End of unit
	Can I explain that the Bronze Age was the period between the end of the Stone Age and the start of the Iron Age?		
	Can I describe and explain how bronze was made from smelting copper and tin?		
	Can I describe and explain the design, layout and possible purpose of stone monuments at Merrivale?		
	Can I explain why metal workers who could smelt bronze had such high status in Bronze Age society?		
	Can I explain why Bronze Age people may have built so many stone circle monuments		
	Can I explain the significance of the artefacts buried with the Amesbury Archer?		
	Can I explain why the Amesbury Archer was given the richest burial known in Bronze Age Britain?		

How do artefacts help us to understand the lives of people in Iron Age Britain?

Year 3 - History - Summer 1

	Key Objective:	Start of unit	End of unit
	Can I explain how the Iron Age fits with the Bronze Age?		
	Can I reason about the significance of artefacts discovered in roundhouses and hillforts?		
	Can I use evidence to reason about why Iron Age Britain was often a violent time?		
	Can I explain why iron was a much more useful metal than bronze?		
	Can I identify, describe and explain the purpose and features of Iron Age hill forts?		
	Can I identify, describe and explain the features of a typical Iron Age roundhouse?		
	Can I explain why so many hill forts were built in Britain during the Iron Age?		
	Can I understand why Iron Age tribes may have made so many votive offerings?
